

# WET WIPES

## THE **ATHEA**® ADVANTAGE

**ATHEA**® manufactures over 20 innovative and high-performance wipes for cleaning, polishing, sanitizing and disinfecting, including Graffiti Wipes for keeping facilities clean, Facility Wipes for cleaning and deodorizing fitness equipment, and Multi-Purpose Towels for cleaning almost anything. Plus single and flow packs, ideal for the retail market, through our **ATHEA PACKAGING** division.

## CUSTOM CONVERTING AND MANUFACTURING

Our flexible converting and production capabilities, along with a full chemist-staffed in-house R&D department, allow us the ability to customize and contract manufacture nearly any type of premoistened wipe for your specific application. Capabilities include custom formulating; custom converting with substrates, wipe size and wipe count; liquid and substrate compatibility testing; stability testing; regulatory compliance verification; and custom packaging options.

## PRIVATE LABEL

With the ever-growing trend toward private label brands in both the consumer and commercial markets, **ATHEA**® is well-positioned to deliver on our customers' needs. Today, over 95% of the Wet Wipes **ATHEA** ships are private labeled. A complete turn-key approach of chemical formulation and production, wipe converting and manufacturing, low minimums, an in-house Graphics department for the highest-quality artwork, nearly unlimited packaging options, fast turnaround, and strict confidentiality make **ATHEA** the market leader in this category. Products not private labeled ship under the Total Solutions® brand. For those customers entering a new product category unsure of potential volume, or not wishing to register certain products when required by the EPA or FDA, the Total Solutions® brand is an ideal solution.
