

CLEANERS AND DEGREASERS

POWDER

#665 CITRA CRYSTALS

Concentrated Grease-Cutting Powder

- Made with citrus extract d-Limonene to cut through grease and dirt
- Ideal for cleaning equipment and floors

BACTERIA

#542 BIO-MAX OC

Bacteria Surface Cleaner with Odor Counteractant

- Bacteria, specially formulated to attack uric acid, eliminate the source of malodors to break down and digest waste
- Live bacteria and enzymes continue to work at eating away organic waste
- Mint fragrance leaves the area smelling fresh and clean
- Also available without fragrance: #542 Live Micro 535

LUBRICANTS

#300 MULTI-PURPOSE PENETRANT

Lubricates, Penetrates, and Demoisturizes

- Protects against corrosion to extend life of machinery
- Displaces and seals out moisture

#301 CUTTING & TAPPING OIL

Oil-Based Coolant & Lube

- Extends tool life and improves productivity
- Promotes residual lubrication, cleaner cuts, smoother finishes and cooler tool temperatures
- Also available in aerosol: #8103 Cutting & Tapping Fluid

#336 GRAPHITE LUBRICANT

Extreme Heat & Pressure Lube

- Protects metal parts under sustained pressure up to 2100°F
- Acts as a sealant, reduces friction, and makes tighter, firmer joints

#8211 GRAPHITE LUBRICANT AEROSOL

Dry Film Heat & Pressure Lube

- Penetrates deeply, dries quickly, and sheds moisture
- Can endure temperatures from -100°F - 800°F

WATER TREATMENT

WASTE WATER AND SEWAGE TREATMENT

#701 PURE EZ LIFT STATION DEGREASER

Floating Lift Station Degreaser

- Floats on the surface to rise and fall with the level of wastewater while cleaning side walls
- Creates an odor-absorbing barrier to control odors, and leaves a pleasant citrus scent
- 100% biodegradable formula won't interfere with lift station bacteria

#510 DIGESTASE SDE 340

Bacterial Digestant

- Attacks, liquefies and removes grease, fat and oil faster
- Bacteria are in spore form for extended shelf life

#616 HIGH HEAT

Granular Caustic with Aluminum Chips

- Contains powerful heat-generating aluminum needles
- Releases large amounts of heat and turbulence to liquefy blockages in drains and sewers

#255 DRAIN AWAY

Liquid Caustic Drain Opener

- Opens drain and sewers by dissolving, liquefying and loosening clogs
- Fast-acting, odorless and convenient to use

STEAM BOILER TREATMENT

#901 BOILER COMPLETE TREAT "H"

3-in-1 Hard Water Scale Inhibitor

- Contains oxygen scavenger, scale and corrosion inhibitors, and steam line treatment
- Steam line treatment prevents corrosion of steam and condensate plumbing

#1960 #BOILER COMPLETE TREAT "S"

3-in-1 Soft Water Corrosion Inhibitor

- Contains oxygen scavenger, scale and corrosion inhibitors, and steam line treatment
- Steam line treatment prevents corrosion of steam and condensate plumbing

COOLING TOWER TREATMENT

#1933 TOWER TREAT "H"

Scale & Corrosion Inhibitor for Hard Water

- Specifically designed for open re-circulating systems using high scaling, hard make-up water
- Restores heat transfer efficiency

#1935 TOWER TREAT "S"

Scale & Corrosion Inhibitor for Soft Water

- Specifically designed for open re-circulating systems using highly corrosive, soft make-up water
- Restores heat transfer efficiency

ALGAECIDES AND BIOCIDES

#630 TOWER-CIDE

Controls Algae & Bacterial Growth

- Prevents and controls microbiological growth in cooling systems
- Excellent in both acid and alkaline cooling systems

#637 BIO-CIDE

Prevents Biological Fouling

- Controls microbiological growth in commercial and industrial re-circulating cooling systems
- Broad-spectrum microbicide is non-foaming, water soluble, and will not evaporate out of solution

Service. Speed. Focused Innovation.

Municipalities Solutions

ATHEA LABORATORIES and MUNICIPALITIES

Cities, towns and villages have a unique set of challenges – maintain the environment for safety, appearance, and functionality; keep equipment and buildings in working order; and do it all with a strict eye on worker safety and cost control. Athea Laboratories is the leading specialty chemical manufacturer of specialty chemicals, providing products for all of these concerns, including powerful degreasers, pre-moistened towels, specially-cultured bacterial-enzymes, effective herbicides, and a complete line of natural and green cleaners. In short, everything a municipality needs to stay clean and safe while keeping costs in line, Athea can provide.

BACTERIA/ENZYMES

Not all bacteria are created equal. Athea uses the highest-quality bacteria available, from five different strains, all cultured for a specific purpose. Our freeze-dried bacteria are in spore form, rather than vegetative adult form, for greater stability and longer life. And, our bacteria replicate every 20 minutes and consume organic waste thousands of times faster than naturally-occurring bacteria, for unmatched performance.

WET WIPES

Athea is the leader in pre-moistened wipes and towels. From sunscreen and sanitizing wipes, to powerful cleaning and polishing towels, our wet wipes reduce chemical waste, cut down on cross-contamination, and reduce dosing waste.

HERBICIDES

Through extensive research, Athea provides a superior selection of selective and non-selective herbicides designed with municipalities' specific needs in mind. The result is better-looking grounds and reduced labor.

CLEANERS and DEGREASERS

Whether it's grease, oil, paint or fuel, Athea manufactures a full line of the most effective cleaners available to address municipalities' specific needs. From heavy-duty degreasers and parts washers to graffiti removers and DfE-certified green cleaners, Athea will keep your equipment and environment clean and safe.

GROUNDS MAINTENANCE

WORKER SAFETY

#1559 SUNSCREEN WIPES

- Work Safely In the Sun All Day
- SPF 30 provides broad-spectrum UVA / UVB protection
- Oil-free formula is non-greasy; Vitamin E-enriched to prevent peeling and dryness
- Perfect for work benches or vehicles

#1541 FLY AWAY INSECT REPELLENT WIPES

- Long-Lasting, Odorless Protection
- 25% DEET formula for long-lasting protection up to 4 hours
- Water-based formula doesn't stain and is odorless
- Perfect for work benches or vehicles

#268 HYGIEN ANTISEPTIC HAND SOAP

- Contains Proven Germ Fighter Triclosan®
- Mild, pleasantly-scented hand cleaner
- Contains an emollient to help moisturize skin

#1448 HAND SANITIZING WIPES

- Kills 99.9% of Germs and Bacteria
- Prevents cross-contamination
- Emollients keep hands soft
- Alcohol-Free Wipes also available (#1445)

HERBICIDES

#320 BARREN

- Non-Selective Herbicide with 12-Month Residual
- Total kill, sterilizes soil to prevent new growth up to 12 months
- Also available in aerosol: #8320 Barren Aerosol

#314 VACATE

- VOC-Compliant Non-Selective Herbicide with 12-Month Residual
- Total kill, sterilizes soil to prevent new growth up to 12 months
- Use to control annuals and perennials

#363 TRIPLE THREAT

- Selective Herbicide
- Kills all broadleaf weeds in lawn and turn without harming surrounding grasses
- Also available in aerosol: #8320 Triple Threat Foaming Aerosol

#145 ELIMINATOR

- Non-Selective Herbicide for Aquatic and Terrestrial Control
- Kills most forms of plant growth without damaging soil
- Ideal for weed control near ponds

INSECTICIDES

#604 DEMISE

- Powered Insecticide
- Effective against fire ants, roaches, termites, beetles, centipedes, spiders, bees, hornets, yellow jackets, wasps and other insects
- Up to 6-month residual
- Highly effective and safe in electrical and cable boxes

#8401 BUZZSAW WASP & HORNET KILLER

- 20-Foot Jet Stream
- "Jet Stream" blast kills from up to 20 feet away

#848 d'BUG

- All Natural, d-Limonene-Based Insecticide
- d-Limonene dissolves the protective wax layer from the exo-skeletons of insects, causing suffocation and death
- Safe alternative for use near animals and humans

WINTER PRODUCTS

#277 ICE ERASE

- Liquid Ice Erase
- Works immediately to melt or prevent accumulation of snow and ice in temperatures as low as -60°F
- Non-harmful, non-alcohol, and safe for animal contact

#1603 GREEN FIRE

- Non-Calcium Chloride Blend
- Works immediately to melt ice, frost and snow in temperatures as low as -40°F.
- Non-corrosive to concrete when used as directed

#600 PELLET DEICER

- Calcium Chloride Pellets
- Works immediately to melt snow and ice in temperatures as low as -40F
- Non-corrosive to concrete when used as directed

#385 SNOW PLOW COATING

- Releases Snow and Ice
- Keeps plow blades clear
- Prevents rust and corrosion

CLEANERS AND DEGREASERS

WET WIPES

#1539 MULTI-PURPOSE TOWELS

- High-Powered Versatile Cleaner
- Superior grease-grabbing abilities
- Special fabric won't transfer grease and grime
- Ideal for cleaning tools, parts, and hands

#1447 GRAFFITI WIPES

- Easily Removes Paint and Graffiti
- Highly effective on signs, vehicles and other non-porous surfaces
- Powerful cleaning formula does not contain amyl acetate or methylene chloride, for safety

LIQUIDS

#135 ENVIRO-TERRA CONCENTRATE

- Powerful & Safe Acid-Replacement Cleaner
- Removes rust, scale, lime, mold, grease and beerstone from nearly any surface
- Non-toxic, non-corrosive, non-fuming and biodegradable
- Also available as Ready-to-Use: #139 Enviro-Terra RTU

#346 RUST CONVERTER

- Converts Rust to Black Paintable Surface
- Stops rust and prepares surface for painting
- Ideal for improving the appearance of vehicles and equipment

#135 ENVIRO-TERRA CONCENTRATE

- Powerful & Safe Acid-Replacement Cleaner
- Removes rust, scale, lime, mold, grease and beerstone from nearly any surface
- Non-toxic, non-corrosive, non-fuming and biodegradable
- Also available as Ready-to-Use: #139 Enviro-Terra RTU

#388 ORANGE AWAY GEL

- 70% d-Limonene, Thickened Tar Remover
- Effectively removes tough soils including tar, pitch asphalt and roofing compounds
- Clinging formula prevents waste from run-off

#700 PURE EZ RELEASE

- Asphalt Release Agent
- Ideal for preventing tar adhesion on steam rollers
- Formula won't degrade asphalt or harm equipment; alternative to fuel oil
- 100% natural and biodegradable formula
