

# Janitized® Compostable

Made from 100% Renewable Resources

The industry's first certified and approved compostable vacuum cleaner filter bags validated by Underwriters Laboratories (UL). All products and packaging materials are made from 100% renewable resources designed to be recycled and/or biodegrade when aerobically composted reducing the amount of valuable resources entering our landfills to meet Federal Trade Commission (FTC) Green Guidelines.

Janitized® is committed to making a difference towards improving our global environment.
