

The *best*, most *versatile* and *trusted*
concentrated cleaner available
is making a splash!

Core Product Company's HydrOxi Pro® Concentrated Cleaner is available as two easy-to-use, pre-packaged, pre-measured **RED** and **GREEN** ultra-concentrates.

Turn page for more information.

HydrOxi Pro® Concentrated Cleaner as part of the **i'Pac™ Portion Control System** is the same product you've grown to trust...it's just a lot more concentrated, and uses very little storage space.

HydrOxi Pro® Concentrated Cleaner as part of the i'Pac™ Portion Control System is easy to use!

1
Cut pouch with scissors.

2
Pour into empty quart bottle or empty bucket.

3
Fill spray bottle or mop bucket to fill line with cold tap water.

HydrOxi Pro® Concentrated Cleaner is a versatile cleaner/degreaser, deodorizer for hard, non-porous surfaces. The natural orange oil breaks down grease, grime & dirt, while hydrogen peroxide destroys most organic odors. Use it as a streak-free, effective glass cleaner without ammonia or alcohol. It cleans and restores tile & grout without the harshness of acid!

Uses two different water dilutions to satisfy all general cleaning needs. With one product *utilizing just two dilutions*, mixing and training issues become nonexistent. Use it to clean most surfaces such as windows, mirrors, walls, floors, bathrooms, shower rooms, tile, grout, carpet and kitchens.

It's a safer more effective alternative to bleach, does not cause wear and tear to facilities that harsh chemicals are so prone to do. Helps increase indoor air quality, and VOCs are minimal.

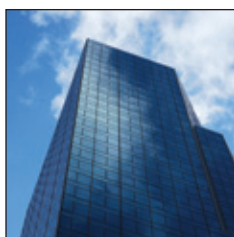

Meets the Green Seal™ GS-37 environmental standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content.

Cleans & Deodorizes:

Windows, Mirrors
Walls & Floors
Bathrooms/Tile & Grout
Hard Surfaces
Eliminates Urine/Food Odors
& Many More Uses

Ideal for:

Office Complexes
Reception Areas
