– Concentrated 1:30 + 1:15 Ratio

Cleans and protects! Putting a barrier on your windows, mirrors, and other surfaces to reduce streaking, finger prints, and fog. Our non-alcohol, non-ammonia Glass & Surface Cleaner is safe and easy to use, and won't leave a streak behind.

- Water repellant for glass & metal surfaces streak free
- Quick & easy to use
- Anti fogging properties for windshields & mirrors
- Non alcohol formula
- Low VOCs

Unbelievable!® Glass Xtra Concentrate is available in 64 oz. bottles, cases of 4 each. # UGXC-64

## WHY SELL CORE PRODUCTS UGXC?

- UGXC is not sold in major retailers to compete against
- We monitor distribution for customer protection
- Private label with your company's brand
- Higher margins & free freight means more money in your pocket!

## WHY GLASS XTRA WORKS

Most glass cleaners are comprised of Ammonia, Isopropyl Alcohol and other harsh solvents. Those ingredients are considered hazardous to both your health and the environment by the EPA. We spend more than 90% of our time indoors, so we want to be aware of the products we use around us. Unbelievable Glass X-tra refrains from using harsh ingredients, while producing a product that works! Our concentrated formula allows you to dilute the product for the toughest stains, or minor touch up on mirrors and shiny surfaces. Safe to use on most hard surfaces.
