

Eco BOTANICS

ECO BOTANICS AMENITIES COLLECTION

The beautiful Eco Botanics line of amenities, enriched with organic olive oil, brings a fresh feel to each guestroom. The line is a collection featuring salon quality formulations that are gentle on the skin and hair. The moisturizing body bar and cleansing bar are vegetable based with a refreshing chamomile and honey fragrance. The shampoo, conditioner, lotion and body wash are infused with soothing white tea and nourishing honey. Eco Botanics, a part of the EcoWell Health and Wellbeing group, is a perfect earth-conscious and affordable choice for hotels and resorts in any locale.
