TERRA PURE GREEN TEA COLLECTION

Made with pure ingredients and packaged using recycled paper and 100% soy based ink, the Terra Pure Green Tea line is one of the most environmentally friendly amenity programs available today. Each formulation in the line is infused with organic aloe, honey and olive oil. The body bars and cleansing bars have a natural olive and palm oil base and are enriched with soothing aloe. The high-end formulations and beautiful design bring elegance to any upscale property while the environmentally friendly features of the Terra Pure Green Tea collection add to the appeal.
