

WASTE MANAGEMENT SOLUTIONS

RESIN UTILITY TRASH CANS

Heavy-duty construction
to withstand everyday use

BMTCU55 model shown

GET TOUGH ON TRASH

The Suncast Commercial Resin Utility Trash Can is tough enough to tackle any workplace, business, industrial, or municipal application. Its reinforced base reduces wear and tear, while the extra-large interior air channels allow easy liner removal. Available in a range of colors and sizes, the Resin Utility Trash Can is designed to stand up to any job and stand out in any environment.

ADDITIONAL FEATURES:

- Blow-molded HDPE for strength and rigidity
- Won't rust or chip and resistant to denting and bending
- Cold-impact construction stands up to harsh environments
- Handles feature tie-downs and bag cinches to manage heavy jobs
