KUTOL
Hand Hygiene Specialists

Kutol Products...
custom solutions, consistent performance.

Kutol offers a unique variety of soap dispensing systems and products. From industrial hand cleaners & wipes to extra-hydrating moisture washes; from antibacterials that kill germs, to hand sanitizers that work when soap and water is not available; from industrial hand cleaners to specialized lotions; Kutol creates products and dispensing systems that solve hand hygiene problems.

Kutol's fully staffed laboratory undertakes precise testing for antibacterials and hand sanitizers. Our procedures are in full compliance with the latest FDA regulations. New product formulations and packaging are approved only after rigorous trials and testing. State-of-the art, computer-aided manufacturing matches the exacting quality standards that are set. Consistently, time after time, Kutol delivers the right solutions for its customer.

Kutol makes 5 promises to its customers:

Flexibility – We customize dispenser programs and products to fit your needs. Private labeling is an option in many situations.

Innovation – We develop and design products and systems that perform better. Our products have unique features and benefits that save the end-user time and money.

Sustainability – Our new LEED® Silver certified corporate and manufacturing headquarters ensures a high degree of green compliance. We offer Green Seal®, USDA BioPreferred® and EcoLogo® products that are tested and certified.

Value – We develop pricing policies that assure competitiveness and offer promotions and dispenser programs that enhance your returns.

Stability – Founded in 1912, we've been a successful, family owned and operated business for over 100 years.

With Kutol's expanded capacity and outstanding customer service, we have become an undeniable leader in effective hand hygiene solutions.

Built in 2011, Kutol is one of the first and only LEED Silver certified manufacturing plants supplying the facility management industry.

LEED and related logo is a trademark owned by the U.S. Green Building Council and is used with permission.

What's NEW for 2019?

NEW BRANDING!

- Health Guard by Kutol replaces our full line of EZFOAM®, EZLIQUID® and Kutol hand soaps, hand sanitizers, hair & body washes and moisturizers.
- Kutol Pro is our new line of tough, industrial products. Kutol Pro offers a wide selection of hand cleaners, hand wipes and hand creams in a variety of wall mount and portable dispensing options.

Kutol is Committed to Sustainability

Kutol offers Green Seal® and USDA BioPreferred® products. In addition, all of our soaps and hand sanitizers are made in the U.S.A. in our LEED Silver certified facility.

Green Seal® Certified
These products are biodegradable, non-toxic, free of volatile organic compounds (VOCs), meet government regulations and are manufactured in an environmentally conscious facility.

USDA BioPreferred
These products meet or exceed USDA-established minimum bio-based content requirements, thus sustaining nature's biodegradable cycle.

NSF Registered
Select products are registered by NSF International to meet food safety regulations, including the FDA Code of Federal Regulations (CFR). See pages 14 and 15 for NSF registrations.

EZFOAM® DISPENSERS

FEATURING Health Guard® BY KUTOL REFILLS

Counter Mounted Dispensers

Cut-Away View

Patented Design– Refills from ABOVE the counter!

EZFOAM Counter Mount dispensers feature a patented system that refills from above the counter! No need to remove ADA panels or crawl on the floor to refill. With self-sealing refill cartridges, there's no need to wait until the reservoir is empty. You can "top-off" one or more dispensers and store the partial refill for later.

Each creamy Moisture Wash formula contains Emollients to help sooth and protect skin, and Humectants to help maintain skin's natural moisture. Four soaps have colors and fragrances, two are dye & fragrance free.

- Innovative patented design – refills from above the counter!
- No mess and eliminates the risk of product contamination
- Made with durable plastic parts and automotive-grade chrome plating
- Available in Black & Chrome or All Chrome

SOFT & SILKY FEATURING Health Guard® BY KUTOL REFILLS

Bag-In-Box & Boxless Bags

When it comes to liquid soaps, Soft & Silky Bag-In-Box is our most widely used wall mounted dispensing system. It features a contamination-free sealed pouch with an integrated dispensing tube. Soft & Silky is available in a broad range of products and sizes.

800 ml Bag-In-Box - The most common bag-in-box size and is designed to fit most competitive dispensers.

1200 ml Bag-In-Box - Larger refills last longer to reduce change outs and labor. 1200 ml dispenser is required.

1000 ml Boxless Bags - For "green" conscious customers, we offer three formulas in a 1000 ml "boxless" bag option, including our Green Seal® Certified Green & Clean Hand Soap. The 1000 ml bag fits in an 800 ml dispenser. You get more soap with less packaging!

Flat Top and Pour Top Gallons

Convenient, economical and easy to use, bulk gallons can be the best choice for many general purpose and specialty applications. Now with multi lingual labeling.

Health Guard offers a wide assortment of bulk pour-top and flat-top gallons, including many foaming and liquid hand soaps, antibacterial hand soaps and hand sanitizers as well as hair & body shampoos and other specialty products.

Simply insert a pump and dispense the product directly from the gallon container or use it to refill smaller bottles. Add a convenient jug bracket to create a wall-mounted dispenser!

In addition to gallons, most formulas can be supplied in 55-gallon drums or other customer-specified packages.

Hand Hygiene Specialists

A Great Company

Established in 1912, Kutol Products Company has enjoyed a long and successful history in the hand hygiene business. We manufacture 100% of our formulations in our modern, FDA-registered facility in accordance with stringent government guidelines. You can buy from us with confidence, knowing that all products are manufactured in compliance with government regulations and Good Manufacturing Practices.

This catalog includes the broadest line of hand soaps, hand sanitizers and dispensing systems in the business. From innovative and proprietory dispensers and specialty hand cleaners to traditional bulk gallons and bag-in-box products, Kutol has the solution.

Can't find what you're looking for in this catalog? Don't worry. In addition to the broad range of products featured, Kutol is well-equipped to provide you with the customized formulas and packages you need to achieve your competitive advantage.

Sustainable Hygiene

Kutol is dedicated to bringing to the marketplace sustainable, innovative products that promote better health and safety. We continually strive to help our customers provide sanitary facilities while also meeting their environmental goals.
